Re: Tinkham v Kelly Civil Action No: 05-10470 MLW

U.S. DISTRICT COURT
DISTRICT OF MASS.

Dear Ms. Boyce,

Plaintiffs in the above-captioned action have received the Court's memorandum and order of September 28, 2005 and most respectfully decline to consent to the transfer of this case to Magistrate Judge Alexander for all purposes. We would however be pleased to consider any alternative dispute resolution option which is offered in the District of Massachusetts and which may, if the other parties consent, result in relieving the Court of its burden altogether.

Additionally, we have reviewed the Civil Docket for this case and respectfully point out the following , doubtless inadvertent, anomalies for the record:

1. Defendant Barry Mintzer's Waiver of Service, sent to the Clerk's Office on July 11, 2005 has not been docketed.
2. Attorney Davis' Motion in Opposition(entry #49) was docketed on behalf of the nine "School Defendants" he represents and the six "DSS Defendants" he does not.
3. The docket shows entry of only five of the six Motions for payment of costs submitted by Plaintiffs on August 11, 2005 against DSS Defendants. You will note that docket entry #37 concerns an affidavit "in re 36 Motion", which Motion does not appear in the docket. In fact there is no entry numbered 36.

We would be pleased to forward to you copies of the above-referenced documents if needed.

Thanking you for your kind attention, we remain

Very truly yours
